**MOTION FOR LEAVE TO TAKE IMMEDIATE DISCOVERY TO LEARN THE
IDENTITIES OF DOE DEFENDANTS**

By this motion, Plaintiffs seek leave to take early discovery for the limited purpose of learning the true identities of the Doe Defendants in order to properly add them as named defendants this action and serve them with process. Defendants are responsible for massive theft of Plaintiffs' motion pictures and television programs over the Internet. Defendants' illicit activities are causing tremendous and irreparable harm to Plaintiffs, who are among the leading producers of filmed entertainment in the world. Although Plaintiffs have identified the computer server and Internet website with which the Doe Defendants enable the infringement of Plaintiffs' valuable intellectual property, the Doe Defendants hide their identities, operating their server and website anonymously.

To learn the true identities of the Doe Defendants, Plaintiffs need discovery from the Internet service providers that connect Defendants' computer server and website to the Internet and which, by virtue of their business relationship with Defendants, likely know their true identities. For these reasons, and for the reasons stated in the attached memorandum of law, Plaintiffs respectfully request that the motion be granted.

Respectfully submitted,
